DEDICATION

DEDICATION

Mrs. Lydia Freeman, a civics and history teacher, sponsor of the cheerleaders and the annual, has added new life to Moore's faculty. She put many hours of work and patience to get the annual together. Mrs. Freeman relates well with the students at Moore and is always ready to give them a helping hand.

She came from Apollo Junior High and as a new teacher at Moore is already well-known and well-liked.

Mrs. Freeman has a unique love for people and it comes through in her teaching. A lot of school activities never could have happened without her. With all this in mind, we dedicate this annual to Mrs. Freeman.

"KNOCK 'EM DEAD GOLD AND RED" is exactly what this excellent team of boys did this season to their opponents. These "MATADORS" captured the championship in the city tournament and a tie for the first place in the city during the regular basketball season. Named to the all-tournament team was Bucky Ford and Arthur White. All of our players have been outstanding this year. We extend a special thanks to Coach Ladd for his long hours and coaching talent. GOLF TEAM

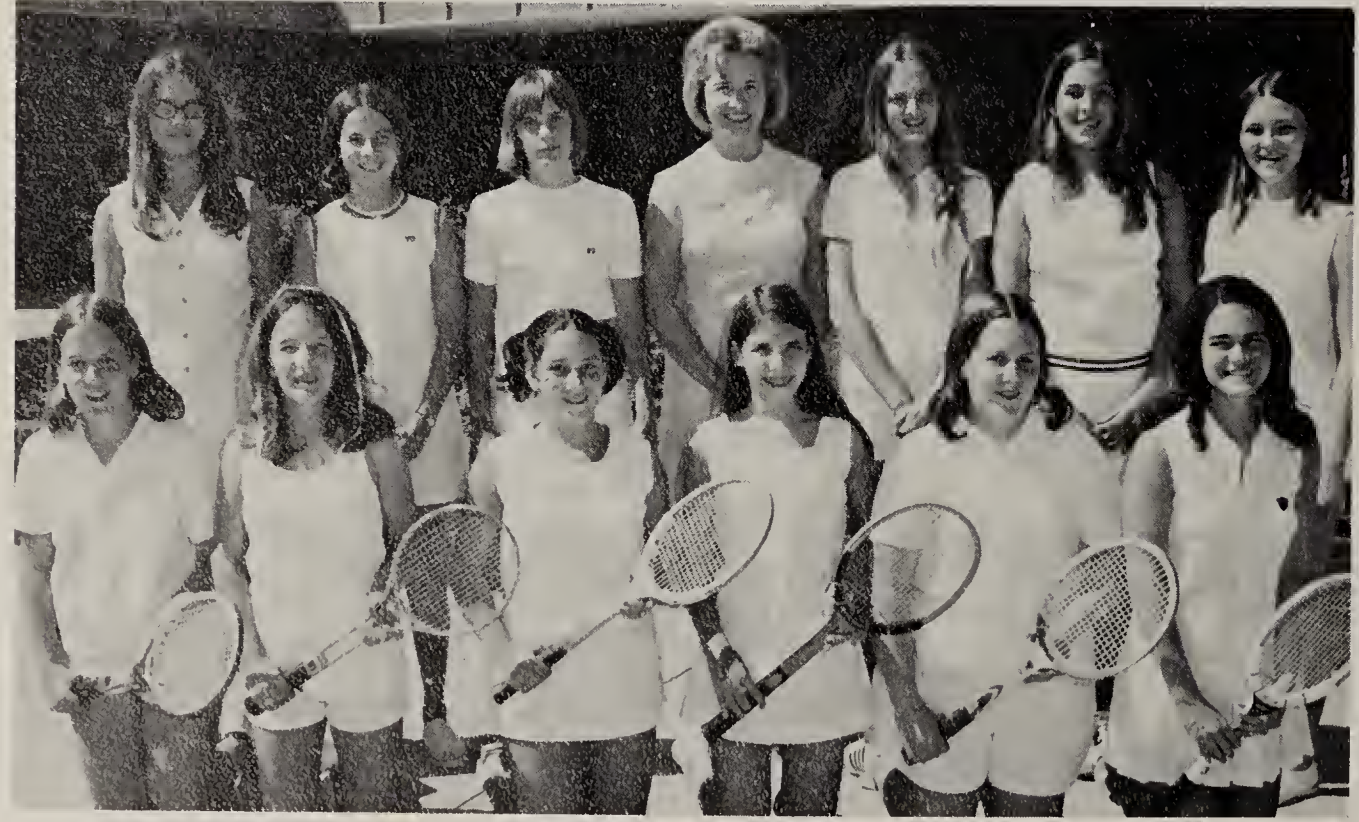
This year's golf team is sponsored by Mr. Knoch. They compete against other Jr. Highs in team-play.

We should mention that our golf team won the championship last year.

TENNIS TEAM



This is last year's tennis team for the same reason as the track team. They are sponsored by Mrs. Hood. They had a fine season last year and we hope for another one this year.

BOYS' TRACK TEAM

This is a picture of last years track team because our deadline came before it was organized. It was coached last year by Mr. Jefferson. Through his and the teams' efforts, they won several events.

GIRLS' TRACK TEAM

This is also last years' picture of the girl's track team. They are sponsored by Miss Cox. They were also successful last year. We give them good luck for this year.

MOORE

SUPERLATIVES

WITTIEST

Anytime school life is slow, it always picks up a great deal when Jean Bentley and Arthur White make the scene with their antics. Both seem to be able to make any class go better. Along with being funny, Jean is a member of the Beta Club, and Arthur lends a hot hand to the basketball team as a starting guard. Both Jean and Arthur have made our three years at Moore much more enjoyable.

MOST STUDIOUS

Julie Stanton and Paul Dickson rate very high academically in the minds of students and teachers at Moore. Both do well in other activities with Julie as president of F.H.A., and Paul as co-editor of the annual. They will undoubtly use their abilities to useful purposes as they go on in life.

MOST ATHLETIC

Margaret Fisher and Gary Clarke were elected the most athletic for obvious reasons. Gary was quarterback of our successful "Matador" football team and was a starting forward on our basketball team. Margaret has always been interested in sports. As the leading scorer of our girl's basketball team for the past two years, she became one of the Matador stars.

BEST DRESSED

Brian Gore and Carmen Lewis attract the eyes of many students as they walk through the halls with their stylish and fashionable attire. They have definitely had an effect on the fashion of Moore and will certainly have influence on modes of dress during their future years in high school.

MOST SCHOOL SPIRIT

Every school has at least two people who give the students a special feeling of school spirit. Bucky Ford and Becky Richter are Moore's choice as these people. Bucky was an outstanding player of both football and basketball teams. As one of our cheerleaders, Becky keeps spirit high at all athletic events.

BEST LOOKING

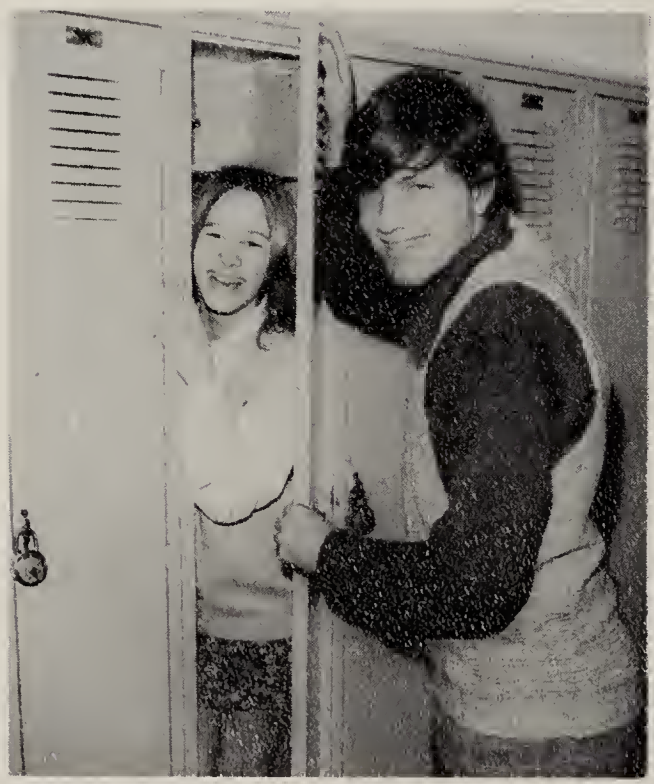
Christie Sumner and Doug Clark were elected best looking for obvious reasons. Each have fine personalities as well as good looks. Doug was a member of Moore's football team while Christie has been active in Student Council. Either should easily find success with these outstanding qualities.

FRIENDLIEST

Mary Ann Wright and Nelson Parks were elected the friendliest of their class. Mary Ann was a vital part of the cheerleaders, and Nelson was a member of Moore's basketball team. Their warm smiles and winning personalities have added alot of good cheer to the ninth grade class. We are most happy that Nelson came our way this year and joined Mary Ann in being their class's friendliest.

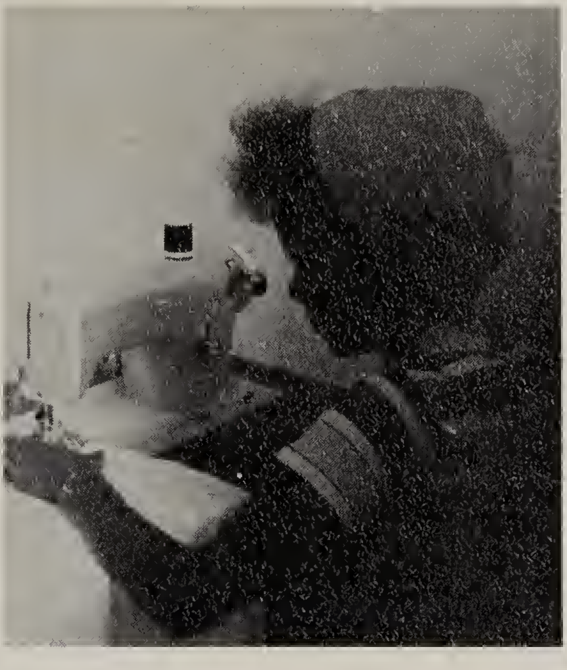
MOST POPULAR

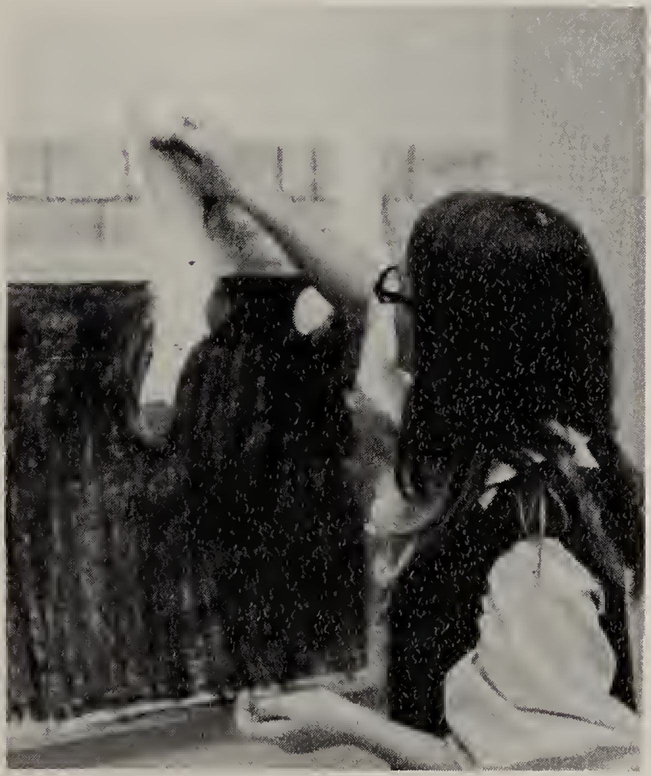
By an overwhelming vote, Rebecca Renfro and Doug Stuart were elected most popular. Rebecca always greets everyone with a smile and a friendly hello getting along well with students and faculty. She has added to the spirit of each game as cheerleader. Doug was a member of the successful basketball and football teams being one of the outstanding players of the latter player. Both truly deserve the honor of being named "most popular" of their class.

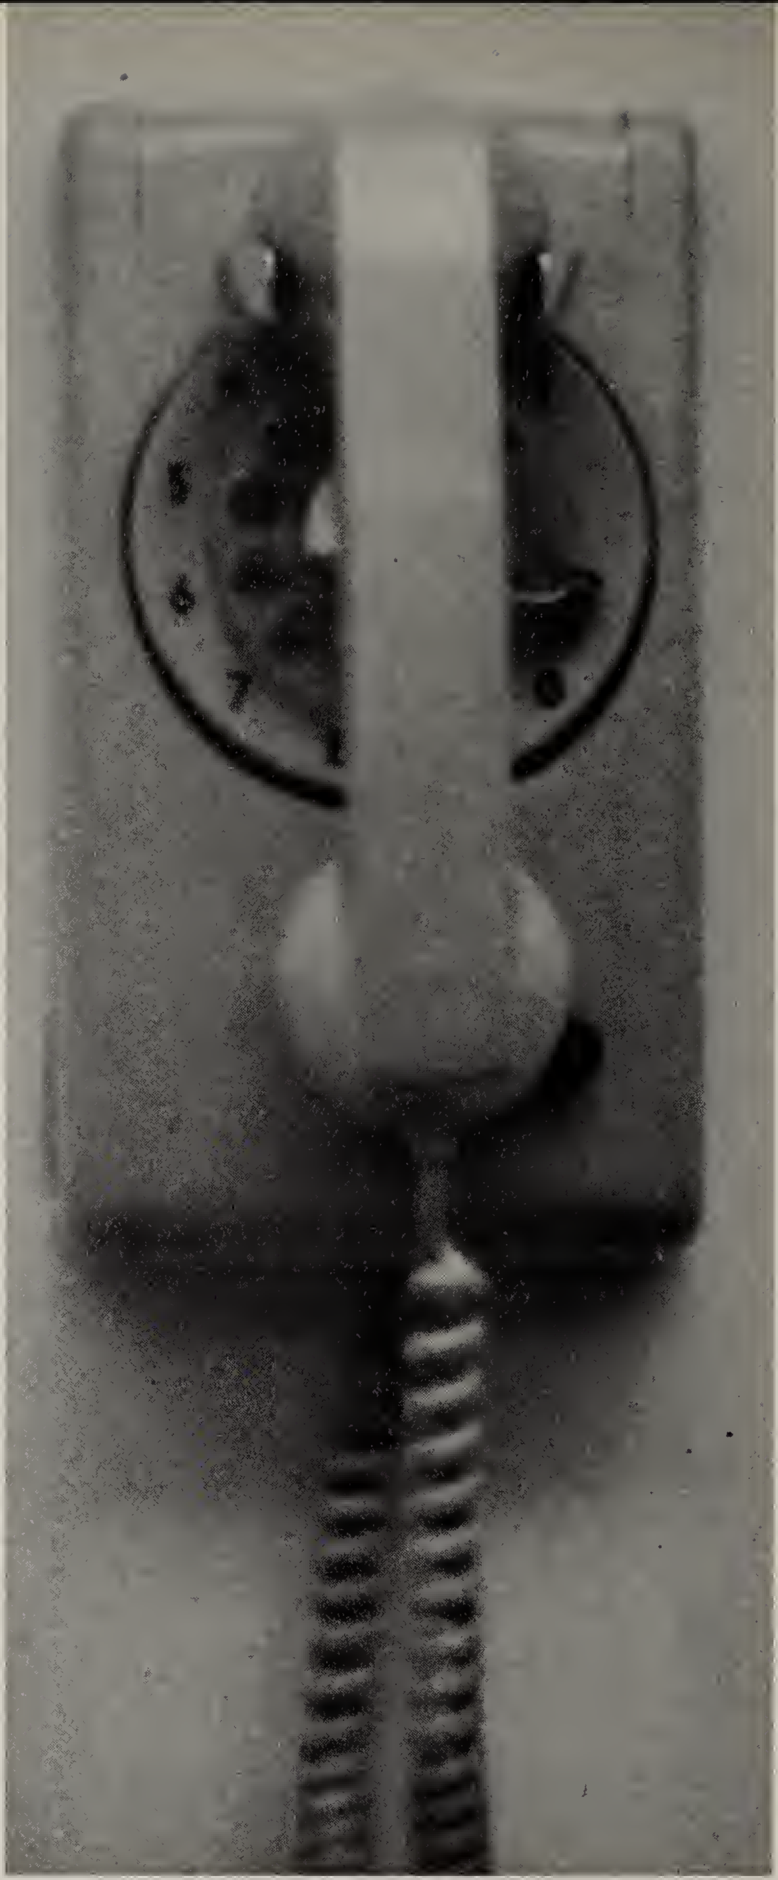


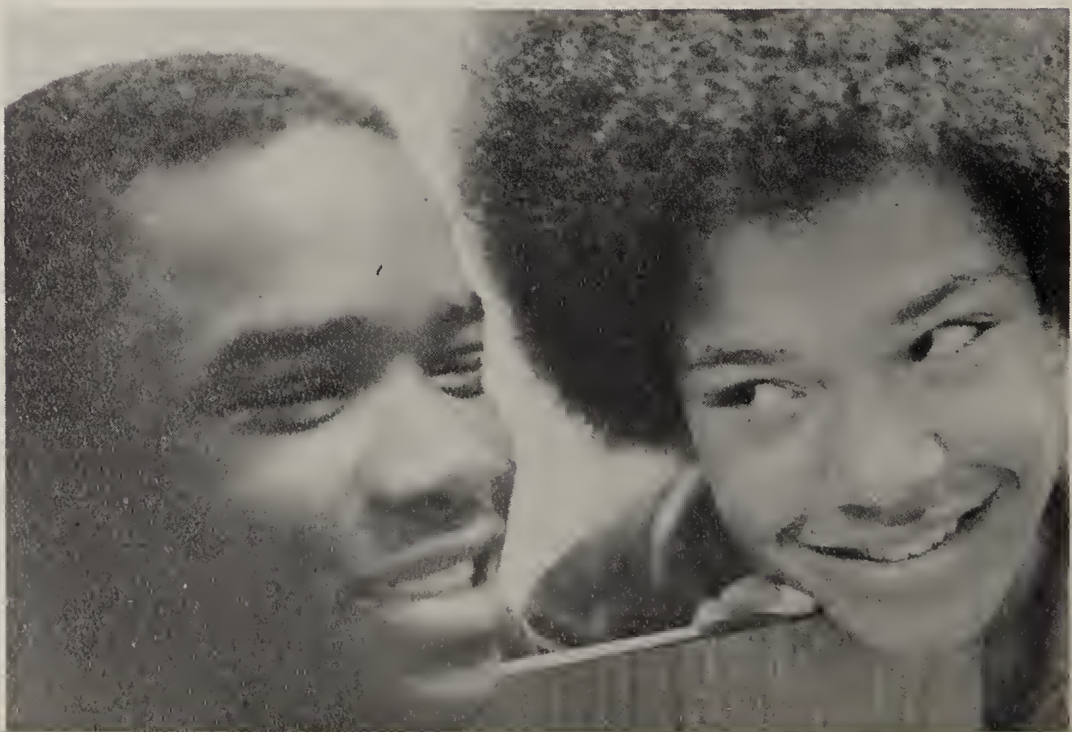
BEST ALL ROUND

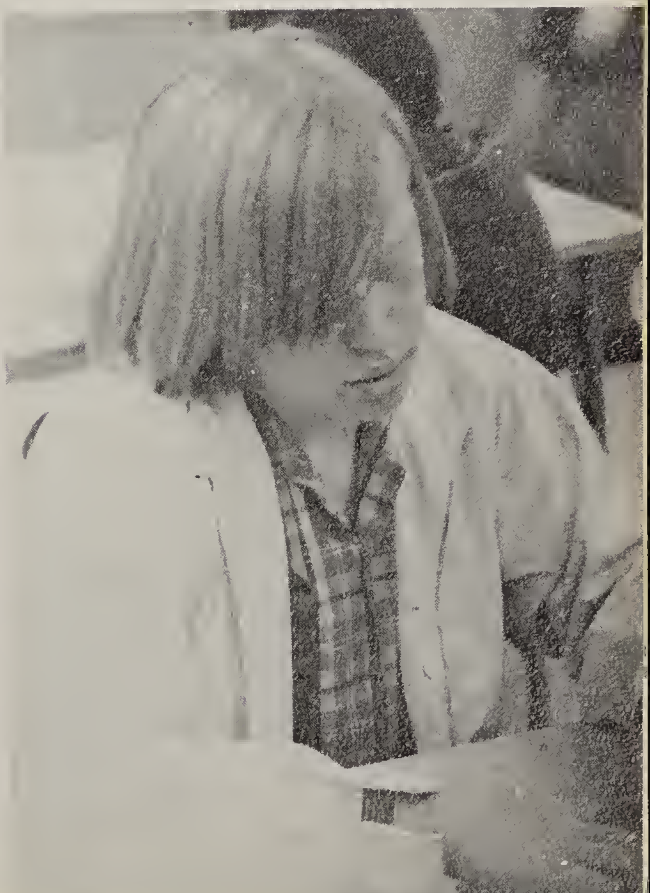
Claire Pelster and Doug Stuart were elected best all round from how they rated in all areas of the superlatives. Claire was a guard on the outstanding girl's basketball team and did a fine job promoting team spirit. As chairman of the Student Council, Claire has shown outstanding leadership qualities. Doug was honored with being named most popular as well as best all round. While a member of the basketball and football teams, he contributed his full effort in making them both winning teams. With their many assets, future years should be promising for them.





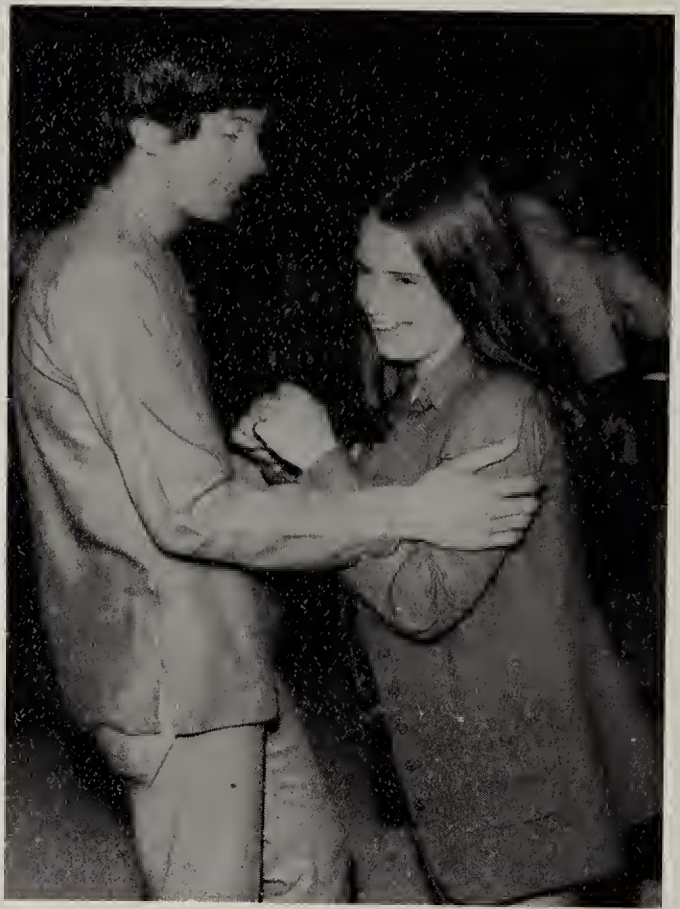






HOMECOMING DANCE

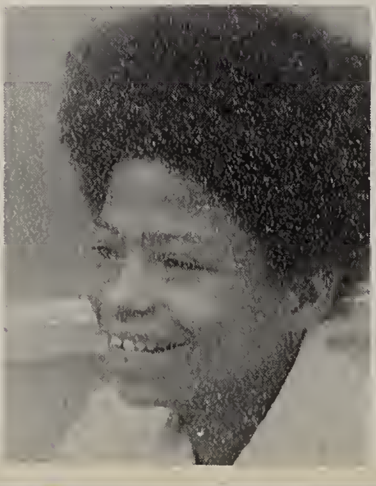
Last fall the cheerleaders sponsored a homecoming dance. It was a great success as over three hundred people came and danced to their heart's content to the music of "Andromeda".



groover (doing "His thing"?)

HOMECOMING COURT

The Homecoming Court accompanied the queen, Christie Sumner. All the girls, in lovely formals, were presented at the dance. The court was composed of two ninth graders, Beth Rhodes and Christi Jenkins, and two eight graders, Wanda Brown and Deborah Taylor. Doug Stuart escorted the queen; other escorts were Paul Stinson, David Looney, Charles Brown, and Rudy Woodberry.



FACULTY

ADMINISTRATION

Mr. Thompson has done a great job this year as principal of Moore. This is his second year, and he seems to like it even better than last year. He is the nucleus of Moore, participating and giving a helpful hand to students. He is appreciated by both teachers and students.

Mrs. Quarles works hard as secretary of the office. She handles scheduled meetings with Mr. Thompson and Mrs. Litterer.

Mrs. Litterer, our vice-principal, handles many school activities. Whenever a group wanted to hold a dance, she would arrange for policemen; or a fund drive, she would tell you some tips on how to make it more successful. She is invaluable to all of us.

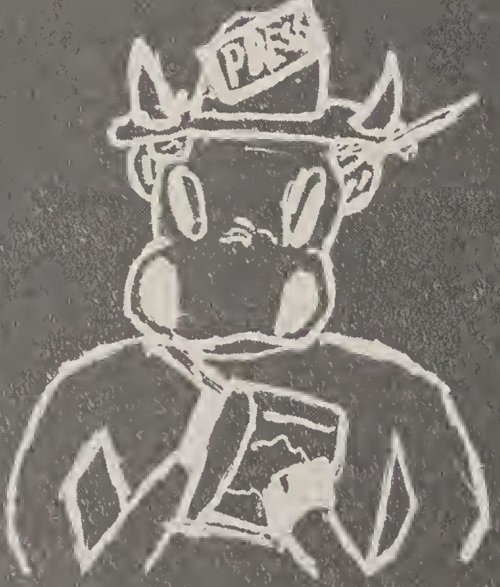
EL TORO STAFF



The El Toro staff provides the school with an informative and funny newspaper. It gives students a chance to express their opinions. The staff quite often takes polls, has interviews with teachers, or writes up movies and rock concerts. The editor, Dee Ann Daniel, works continuously to make sure the paper will go out "just right." Mrs. Weidemann is the sponsor.

ANNUAL STAFF

SPONSOR: MRS. FREEMAN

THE STAFF IN ACTION

UNDER NEW MANAGEMENT

This year's annual staff had several new members, and this required some amount of leadership and instruction to be given. The instruction was easy enough, but the leadership was somewhat hampered by two co-editors and a sponsor all giving orders at the same time. Our staff was blessed with three photographers. Bill and Chris worked together to supply us with enough pictures and generally did a great job. Julie did a large amount of our typing which helped us to meet our deadline. Hardin worked hard on anything we gave him to do. Write-ups were done by Debbie, Donna, and Carolyn. Mike, Lori, and Kathryn did a fine job on the artwork as you can see throughout this yearbook. Kreis and Paul, the co-editors, worked together a lot in order to complete assignments and work on layouts. Without them this would never have been possible. Other members of the annual staff were Kaye, Wade, Maurice, and Claire. Mrs. Freeman, the sponsor of the annual, has done a great job in keeping the annual running smoothly. A large part of this annual was a result of her effort.

EPILOGUE

JUNIOR HIGH IS A PLACE OF LEARNING, A PLACE WHERE STUDENTS PREPARE FOR HIGH SCHOOL AND LATER LIFE. THESE ARE THE MOST IMPORTANT YEARS DURING ADOLESCENCE. JOHN TROTWOOD MOORE GIVES OPPORTUNITY FOR GROWTH DURING THESE YEARS. THIS HAS BEEN A GREAT YEAR AT MOORE WHICH IS EVIDENT IN SCHOOL ACTIVITIES AND STUDENT RELATIONSHIPS. THE FACULTY AND NEW STUDENTS GOT ALONG WELL; AND THE FIRST THREE YEAR ALUMNI OF MOORE WILL LEAVE TO GO INTO HIGH SCHOOL. THESE STUDENTS MADE IT THROUGH THE FIRST YEAR HASSLE, THE TEST OF THE SECOND YEAR, AND THE CHANGES THIS YEAR. THESE STUDENTS WHO WILL FORM TOMORROW ARE SOME OF THE GREATEST ASSETS TO MOORE. WE ARE SURE THE FACULTY AND ADMINISTRATION ARE PROUD OF THEM. TO THE NINTH GRADE CLASS OF MOORE, AND ESPECIALLY TO THE THREE YEAR STUDENTS, WE DEDICATE THIS EPILOGUE.
